

eternalsong

personalised, original wedding songs - create your own bridal march or first dance. **yours to keep forever.**

celebrate an eternal love with an everlasting gift - let eternal song compose for you the perfect soundtrack to your special day.

Your Eternal Song gift will make your special day extra special.

An Innovative Works composer will work with you to create an original song to commemorate your special day. We'll encourage you to contribute as little or as much to your work, to create a new work to be performed at your ceremony or reception.

You'll receive an original score in our specially-made gift box to keep forever. For an additional fee, we can also professionally record your song in our Studios.
